Last year I celebrated Halloween, on October 31st, with my family and friends. My mum bought a pumpkin and we cut a scary face in it and put it in the window. My friends and I went trick-or-treating in the afternoon. We wore scary costumes and went from house to house and people gave us sweets. In the evening, I had a Halloween costume party. My mum and I decorated our house. We tied black and orange balloons to the back of the chairs and put old horror film posters on the walls. My mum made pizza and some sandwiches. My friends arrived at eight o'clock. Everyone sat in the living room and ate some food and drank some lemonade. Then we played party games. My favourite game was apple bobbing. We put some apples in a bucket of water and tried to take an apple from the water with our teeth. I got all wet but I didn't catch any apples! Later, we had a costume contest and we voted for the best costume. I took lots of pictures of my friends. My party was a huge success and everyone had lots of fun.
